

WITTE HALL RENOVATION

14E20

Summary – In this \$52,797,000 project, Witte Hall’s core, first floor, and basement areas will be renovated and expanded to accommodate three new elevators for each 10-story wing, common space (floor lounge, study space and kitchenette), and bathrooms. HVAC systems will be replaced/upgraded by adding individual heat controls in rooms and air conditioning throughout the halls. Windows will be replaced and resident rooms, hallways, and stairwells will be upgraded. There will be select finish upgrades (first floor and basement) and roof replacements as well. Construction will begin in 2017. Occupancy at the start of Fall 2019 is expected.
