

**ECB - SHOWCASE LAB STUDY**

**MSN #0481-1601**

**UW-Managed Process**

This study will include analysis of four existing spaces (selected by the College of Engineering) to assist in determining the suitability of each space for use as a “Showcase Lab”. The available ECB spaces identified by COE are Room 1002 (±3,285 SF), Room 1003 (±3,025 SF) Room 1005 (±3,015 SF) and Room M1002 (±3,400 SF).

**BUDGET**

|                 |          |
|-----------------|----------|
| Total           | \$32,000 |
| Future Project: |          |
| Total           | TBD      |
| Construction    | TBD      |
| Design          | TBD      |
| Mgt.            | TBD      |
| Contingency     | TBD      |
| Equipment       | TBD      |
| Other Fees      | TBD      |
| <i>Sources</i>  |          |
| Gifts & Grants  | \$32,000 |

**TIMELINE**

|               |         |
|---------------|---------|
| A/E Selection | 11/2016 |
| Draft Report  | 06/2017 |
| Final Report  | 06/2017 |

**KEY STAKEHOLDERS**

|                  |                  |
|------------------|------------------|
| Occupants        | COE              |
| User Reps        | Sharon Devenish  |
| UW PM            | Ann Hayes        |
| DFD PM           | N/A              |
| A/E              | KEE Architecture |
| Design Arch.     | Dave Ewanowski   |
| Landscape Arch.  | N/A              |
| Structural Engr. | JDR Engineering  |

**AREA DATA**

|                      |     |
|----------------------|-----|
| GSF                  | TBD |
| ASF                  | TBD |
| Efficiency           | TBD |
| Construction \$/GSF  | TBD |
| Total Project \$/GSF | TBD |
